Applied Microbial Remediation Technician

A 4-day course that provides restorers with the necessary tools to perform mold & sewage remediation. Without proper mitigation of a water loss, mold can become a problem in less than 48 hours. In addition, the effects and handling of sewage back-flow has become a major concern for the restoration industry. This course includes hands-on training in our permanent built-in facilities. The AMRT Exam is offered at the conclusion of the course.

Early Registration (14 days prior)

CRA Member.....\$795.00 /person
 Non-Member.....\$895.00/person
