# Order Your IICRC S520 Mold Remediation Standards in Bulk

## Save by ordering by the case!

The S520 is a procedural standard and reference guide for the mold remediation industry. It has been in development for almost 2 years. Participants include the remediation industry, indoor environmental professionals, doctors, lawyers, microbiologists, mycologists, safety professionals, public health professionals and other representatives for interested and related professions.

The development of this document has been in concert with many organizations. As such we are able to offer the publication to any of you that are interested in acquiring your personal copy. *The retail price of the S520 has been set by IICRC at \$120.00.*

Orders for S520 will be processed by Indoor Environmental Institute.
